

BRITISH INTERNATIONAL SCHOOL OF CASABLANCA

Aspire . Act . Achieve

BISC Examination Success:

Our students have once again demonstrated their academic fortitude resulting in a fantastic set of A-Level and iGCSE results. Through turbulent times, it is clear that inspirational teaching, combined with hard working dedicated students will always deliver results and our 2023 cohort are no exception.

The results gained rival (and often better) our long-established UK independent school counterparts, and this is even more extraordinary given the impact of COVID on our students was far more severe in Morocco than in the UK and other European countries.

Therefore, please take the time to read through the highlights below and celebrate the successes of our extremely talented 2023 cohort.

A Level / BTEC results:

BISC students achieved a 100% A* - E pass rate in all their subjects. This means everyone has gained places at their 1st choice universities in the UK, Canada, USA, UEA and Spain, reading a wide and diverse range of subjects including PPE, Business, Economics and Languages.

Our special congratulations go to Daha who obtained a full scholarship to The University of Toronto and to Wael who achieved A*A*B and will now read Mathematics at The University of Aston, Birmingham UK.

Our best wishes also go to Asmae, Meriam, Sammi, Aya as they progress into Tertiary Education and to Malek who will continue to pursue his already successful career in the entertainment industry.

iGCSE results:

BISC students achieved a 100% pass rate in all subjects taken, which is extremely impressive in itself. However, this headline figure is not truly representative of the incredible performance by our students, which also includes:

- 62% of all papers taken achieved A* - A grades.
- 80% of all papers taken achieved A* - B grades.
- STEM subjects (Science, Technology, Engineering and Mathematics) 100% A* - B pass rate in Mathematics, Biology, Chemistry, Computer Science and Physics.

I cannot begin to emphasise how truly outstanding these results are, and I know of certain independent schools in The UK will be extremely envious of these results! Given that English is the 3rd language for most of our students, the performance of our students is nothing less than extraordinary.

Our special congratulations go to Nancy, Meriem, Mehdi K, Mehdi S and Mohamed who all achieved 7+ A* - A grades in all their subjects and we look forward to seeing them next term when they commence their A Level options in the Lower Sixth Form.

Finally, can the Board and Senior Leadership Team thank all our parents who have been instrumental in this process. The considerable support you have shown your child and the school has ensured they now have the best start in life – without this level of support, none of this would have been possible.

I have the honour to be,
you loyal servant,

Mr R D G Costello Udy
