

BRITISH INTERNATIONAL SCHOOL OF CASABLANCA NEWSLETTER

05th June 2025

Dear Parents and Guardians,

As the Eid break approaches, I would like to take this opportunity to wish you all a peaceful and joyful Eid al-Adha.

This time of year reminds us of the importance of compassion, gratitude, and coming together as a community – values that resonate deeply within our school. Eid offers a chance to pause, reflect, and spend meaningful time with those who matter most. Whether you are celebrating the festival or simply enjoying a few days of rest, I hope the long weekend brings peace and happiness to your homes.

To all our families marking the occasion, Eid Mubarak!

Warm regards,
Jason Pegg | Head of Primary

EYFS:

Nursery

For the past two weeks Nursery have been learning all about The Little Red Hen and the importance of sharing. The children made bread as a class all taking responsibility in making the bread and even taking it in turns to add the correct ingredients. Then the children shared the bread to eat together during snack time adding butter or jam to their piece of bread. We have been making a story map in Literacy adding picture to help remember the key parts of the story. As well as retelling the story using masks during free flow and in Maths sequencing the story using the vocabulary first next and then. In the art and craft area the children have made hens to go on the display.

Reception

This week in Reception has involved lots of exploration of 3D shapes. We've had fun using 3D shapes to create a range of art pieces using paint and crayons. The children enjoyed going on a 'shape hunt' to find examples of 3D shapes in everyday objects such as water bottles and boxes. Rehearsals for International Day and the EYFS Graduation Ceremony have continued in earnest and it is a pleasure to see the children singing and dancing with confidence.

YEAR 1

We've blasted off into our exciting 'Space' unit! Students have been exploring the wonders of the planets and stars. They've rolled up their sleeves for some hands-on fun, creating their very own solar systems using paper plates. Along the way, they've been learning names of planets and some of their most fascinating features.

YEAR 2

Year 2 students should be proud of themselves this week for working so hard on their assessments. It has been lovely to see them be proud of their achievements.

They have also enjoyed learning about how to care for our environment and will be making posters about this next week.

They have requested that we have a Green Day in Year 2 before the end of term and we are looking at ways of achieving this.

YEAR 3

Well done to all of the Year 3 children for a very successful end of term trip to the beach this week. It was a great way for children to play together and make memories.

We hope you have a happy Eid holiday.
Miss Subhan, Mrs Nasreddin, Miss Safaa and Miss Sara.

YEAR 4

This week, Year 4 have worked incredibly hard in their end of year assessments for Maths and Science, as well as a block assessment in Maths for 'shape'. In the lead up to this, they focused on the features of regular and irregular polygons, identifying symmetry and creating symmetrical images.

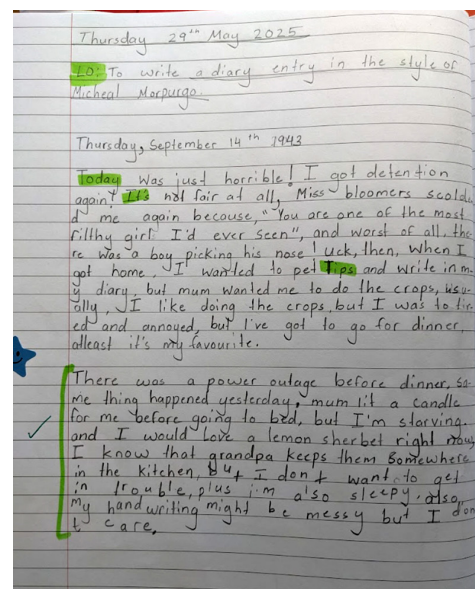

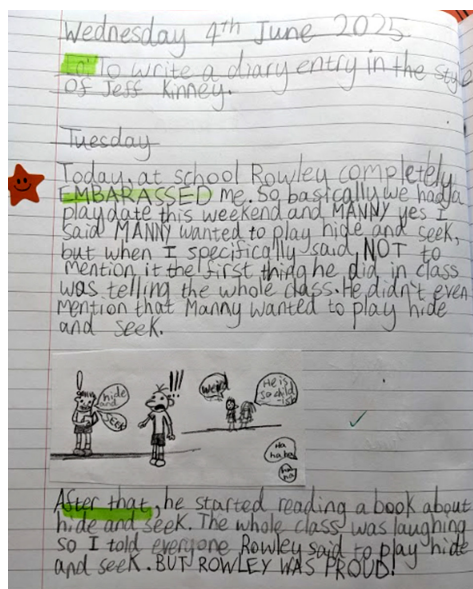

YEAR 5

Year 5 have been busy working on their assessments all week in which they have done very well to be so patient, calm and mature and taking time to read questions carefully and checking answers thoroughly. Between preparation and assessments we have had a lovely mini session with year 1 where they have exchanged their learning in science with one another, reminding year 5 of how their learning began and to give year 1 an idea of what they will be working towards by comparing our studies of the same topic area in science.

YEAR 6

For their unit of 'Stories by significant writers', Year 6 looked at both Adolphus Tips by Michael Morpurgo and Diary of a Wimpy Kid by Jeff Kinney. They analysed and then wrote a diary entry in two different styles of writing across different weeks. They made sure to include features such as informal language, greetings and sign offs, as well as making sure to stay in first person.

NEWSFLASH:

There's a buzz in the air at BISC, and it's coming straight from Sherwood Forest! Our students are busy preparing for this year's school production: Robin Hood — a lively retelling of the classic tale of bravery, justice, and a few clever tricks along the way.

Rehearsals are in full swing, and the cast has been working hard to bring the story to life with energy, humour, and more than a few surprises. Expect daring rescues, witty one-liners, and of course, a heroic outlaw who may or may not be spotted sneaking through the corridors this week — **keep an eye out for 'WANTED' posters.**

INTERHOUSE COMPETITION:

The House Points competition this week was won by Bath (186 points); 2nd Place: Cambridge (167pts); 3rd Place: Oxford (153pts); and 4th Place: Warwick (150pts).
