

BRITISH INTERNATIONAL SCHOOL OF CASABLANCA NEWSLETTER

20th June 2025

Dear Parents and Guardians,

Today, our school came alive with colour, music, laughter, and the wonderful energy that only International Day can bring. It was a joyful celebration of the many cultures that make up our school family.

Watching our students proudly share their heritage, dress in traditional clothing, taste foods from around the world, and perform dances and songs from different nations was a powerful reminder of the unique strength of our multicultural community. Events like today show us just how fortunate we are to learn and grow in an environment where so many perspectives, languages, and traditions come together every day.

A multicultural school offers so much more than academic education—it nurtures empathy, global awareness, and respect. Our students are not only gaining knowledge, but also learning how to live harmoniously in an interconnected world, to appreciate differences, and to celebrate what makes each person unique.

Thank you to everyone—parents, staff, and students—who made today such a meaningful and memorable experience. Your contributions helped bring our values to life and reminded us all how special our school truly is.

Warm regards,
Jason Pegg | Head of Primary

EYFS:

Nursery

This week we have been listening to the story *The Three Billy Goats Gruff* the children have also heard the song addition. As well as using masks of each character to role play the story with their friends. In maths we have been subitising up to 3 using the goats from the text. Also Nursery have been practicing their motor skills by colouring in the characters and cutting the template of a bridge on the art table.

Reception

Reception has been a flurry of activity this week with final preparations for our graduation ceremony on Thursday and International Day on Friday. We have enjoyed all the opportunities to sing and dance and practise our best speaking voices on the stage. It has also been a busy week of art using paints and crayons to decorate our tents for the International Fair. Make sure to visit the Reception tents for a taste of Pakistan and The Netherlands!

YEAR 1

This week, Year 1 has been busy learning all about time, using vocabulary like before, after and next. We've also explored how sequencing and timing are key, especially when perfecting our dance and singing routine for the International Day extravaganza!

We are so proud of the children's confidence and performance – moments we hope they (and you!) will cherish forever. A huge thank you to all the parents for your support and enthusiasm. *"When we learn together, move together, and celebrate together – that's when the magic happens in Year 1!"*

YEAR 2

This week, Year 2 has been learning about map grid references and designing their own island! We had our Green Day on Wednesday where we spent the day writing poetry. We also continued our preparations for International Day which was held on Friday. The children did an exceptional job so well done to them!

YEAR 3

This week we've been busy preparing for International Day. The children have done brilliantly, and it's been a real success. Well done to everyone involved!

YEAR 4

Year 4 had a terrific field trip to Doorz Escape room this week. They used logic and teamwork to overcome their obstacles. They have also done some fantastic practice for their International Day performances.

YEAR 5

Year 5 has had lots of fun this week between our sports day and international day preparations. It was truly brilliant to see all students and even some parents participating so well! It has made me proud to see the sporting etiquette improve so much this year which was echoed on sports day.

YEAR 6

Year 6 have been working hard to prepare themselves for performing at our International Day. The dances reflect the children's chosen countries of Morocco and the USA and our students have shown creativity, teamwork and dedication in preparing and perfecting their choreography. Yallah/Yeehaw!

INTERHOUSE COMPETITION:

The House Points competition this week was won by Cambridge (326 points); 2nd Place: Oxford (210 pts); 3rd Place: Warwick (205pts); and 4th Place: Bath (176pts).
