

BRITISH INTERNATIONAL SCHOOL OF CASABLANCA NEWSLETTER

26th June 2025

Dear Parents and Guardians,

This year has been marked by a fantastic calendar of events that showcased the spirit, talent, and unity of our school. Our students took part in a wide range of interhouse competitions—from the thrilling basketball matches and exciting football tournaments to the high-energy athletics events. These occasions not only promoted healthy competition but also encouraged teamwork and school pride across all year groups.

We also came together to celebrate our cultural diversity and creativity through some of our most cherished school traditions. The Winter Fair brought warmth and festivity to the cooler months, while International Day was a truly special celebration of the rich tapestry of backgrounds that make our community so unique. And of course, the school play was a true highlight—students wowed us with their confidence, humour, and dedication on stage.

As we now turn our eyes toward the summer and beyond, I want to thank each and every one of you for your support, enthusiasm, and involvement throughout the year. Whether in the classroom, on the pitch, or behind the scenes, your contributions have made this school year truly memorable.

Wishing you all a restful, safe, and happy holiday.

Warm regards,
Jason Pegg | Head of Primary

EYFS:

Nursery

We have enjoyed looking back on our year and doing revision activities based on these, covering Maths and Phonics and various topics. We have experimented with different paints and created cities in junk modelling activities. We have listened to our favourite stories and sang and danced to our favourite music and we had lots of fun in a water fight last Tuesday where we enjoyed ourselves. Thanks for a fabulous year in Nursery and wishing you happy holidays.

Reception

In Reception this week we have enjoyed a range of revision activities about all the phonics and maths learning we achieved this year. We've played games to help us find number bonds to 10 and used interactive technology to recall all the phase 3 graphemes and tricky words. We had lots of fun on Tuesday with our water pistol afternoon in the playground – we all got thoroughly soaked, including some of the teachers! Well done for a fantastic year to everyone in Reception. Enjoy your summer holidays!

YEAR 1

This last week has been filled with excitement and valuable experiences. Students enthusiastically participated in team-building activities, treasure hunts, and a Spelling Bee competition, and took time to reflect by writing down their personal hopes for Year 2. Sports Day was a highlight, igniting our collective competitive spirit and fostering a sense of teamspirit and school pride!

We are incredibly proud of all that our students and staff have accomplished together. As we head into the summer break, we look forward to a well-deserved period of rest, fun and special moments with family and friends. We are confident and look forward to a successful start to Year 2!
