

BRITISH INTERNATIONAL SCHOOL OF CASABLANCA

Aspire . Act . Achieve

The British International School Casablanca is proud to announce its best ever A Level results for the 2025 academic year.

50% of all papers taken achieved A* - A grades, with a 100% pass rate in all subjects taken by our students. Special mention must go to Mehdi who achieved A*, A*, A, Mariam who achieved A*, A, A, A and Mohamed who achieved A, A, A, A, B which is an amazing performance.

These wonderful results have since allowed our students to attain places at some of the UK's finest universities including; University College London, University of Bath, St Andrews University Edinburgh & SOAS University London. Furthermore, we also have students venturing further afield, including Bocconi University Italy, Seoul University South Korea, Cairo University Egypt and The University of Barcelona to name but a few.

Finally, the choice of courses they have elected to undertake is also equally impressive; Medicine, Biomechanical Engineering, Automotive Engineering, Politics Philosophy & Economics, Computer Science, Economics & International Business - it is clear that this was an extremely talented and hardworking cohort and we wish them well in all the future endeavours.
