

BRITISH INTERNATIONAL SCHOOL OF CASABLANCA

Aspire . Act . Achieve

A Level Press Release 2026

The British International School Casablanca is proud to announce our A Level results for the 2026 academic year. An impressive 93% of all papers taken achieved grades A–C*, alongside a 100% pass rate across all subjects taken by our students.

These excellent results have enabled our students to secure places at some of the UK's leading universities, including SOAS University of London, the University of St Andrews, the University of Edinburgh and the University of Birmingham.

Our students will also be venturing further afield, with destinations including Eindhoven University of Technology, the University of Barcelona, the University of Madrid and ESCP Business School in Paris, to name but a few.

Equally impressive is the range of courses our students have chosen to pursue, including Medicine, Engineering, Architecture, Economics, International Relations and International Business. These achievements are testament to a diligent and hardworking cohort, supported throughout their studies by the dedication, expertise and commitment of our wonderful teaching staff.

On behalf of the British International School Casablanca, I would like to congratulate all of our students on their achievements and wish them every success and happiness as they embark upon the next exciting chapter of their lives.

Mr R D G Costello Udy
Headmaster
